Community centre scores a big basket

THANKS to the hard work of the local community and the Warwick Farm Neighbourhood Centre, a new basketball court has been built at Hargrave Park.

The \$150,000 Abel Dunn Court was opened to the public last month and Pat Hall, manager of Liverpool Neighbourhood Connections, was the woman who made the dream a reality.

“We did a youth consulta-

tion two years ago and one of the things they asked for was a basketball court... and that is when we decided to go for it,” she said.

Sydney Kings and Charity Bounce will host a coaching clinic in the September school holidays.

The centre and Liverpool Council will also install outdoor exercise equipment at the park in the coming months.

GAME ON: A new exercise station will be built next to the courts at Hargrave Park in the coming months.
